Career Objective

Seeking a career opportunity with a team of passionate and driven professionals, where I can leverage my skills to their fullest potential and contribute to the collective success of the organization

Education

❖ K S School of Business Management and Information Technology, Gujarat University

▪ M. Sc. (CA & IT)

➤ GPA (out of 5): -3.75

May 2024

▪ B. Sc. (CA & IT)

➤ GPA (out of 5): - 3.30

May 2022

❖ HSC Examination, GHSEB

▪ Percentage: - 66.71%

May 2019

❖ SSC Examination, GSEB

▪ Percentage: - 60.50%

May 2017

Technical Skills

- **Languages:** Python, Java, MySQL, HTML, CSS, JavaScript
- **Frameworks:** Django, REST API, Spring Boot
- **Developer Tools:** Visual Studio Code, PyCharm, Postman, Eclipse, Git

Projects

1). Property Dealer | Python, Django, SQLite

Sep 2023 – April 2024

- Property owners add and manage detailed property listings, including descriptions, amenities, pricing, and contact info. They oversee user interactions related to their properties.
- Users browse properties, book accommodations, and manage activities directly on the platform, including search, filter, and contact property owners.
- Admin maintains full control over property listings, user interactions, and platform operations for a seamless user experience.

2). Recipe REST API | Python, Django, REST API, SQLite, GitHub, Postman

May 2023 – June 2023

- Developed a robust RESTful API using Django and Python for managing recipes.
- This API allows users to perform essential operations like adding, updating, deleting, and retrieving recipes.
- Leveraged Postman for API testing and utilized SQLite as the database backend.

3). Bug Tracking System | Java, MySQL

July 2021 – April 2022

- Created a comprehensive web application for bug tracking using Java and MySQL.
- The system supports multiple user roles (Admin, Project Manager, Developer, Tester) and facilitates efficient bug reporting, fixing, and verification processes.
- Ensured security, reliability, and web-based accessibility for seamless bug management.

Skills and Strengths

- Discipline
- Teamwork
- Willingness to learn new things
- Problem-Solving
